Hello Jeff,

I need some guidance in the area of "how to proceed with an intent to strike notice comes into my office.

According to the local paper (Register-Mail) the teachers in District #205 intend to strike. The official date of school opening is for Aug. 14th.

I have received an e-mail from Marcilene Dutton and Chris Dvorak dated Sept. 27, 2013 and your response.

Thanks in advance for your help.
